Vorwort

Für die Vorbereitung auf den Mittleren Schulabschluss und andere Prüfungen im Fach Englisch brauchst du einen guten Wortschatz in der Fremdsprache. Er gibt dir Sicherheit und Selbstvertrauen in der stressigen Prüfungssituation.

Die Vokabeln in diesem Lernwortschatz decken alle prüfungsrelevanten Themen ab, sodass du dir schnell den Kernwortschatz zu einem bestimmten Themengebiet aneignen kannst. Bei einigen Wörtern sind die Schreibweisen für britisches und amerikanisches Englisch (BE, AE) angegeben, soweit diese sich voneinander unterscheiden.

Wichtig dabei ist, dass du Vokabeln erstens regelmäßig lernst und zweitens in Zusammenhängen. Es nützt nicht viel, wenn du 1 × pro Woche versuchst, dir viele Vokabeln auf einmal zu merken. Es ist viel effektiver, wenn du dir täglich eine überschaubare Anzahl an Wörtern vornimmst und diese auch regelmäßig wiederholst. Du wirst sehen, dass du auf diese Weise in relativ kurzer Zeit deinen Wortschatz spürbar gefestigt hast.

Auch das Lernen in Zusammenhängen ist sehr wichtig: Präge dir jeweils immer den Beispielsatz gut ein, denn im Kontext merkt man sich Wörter meistens besser.

Bei unregelmäßigen Verben sind die jeweiligen Formen in diesem Lernwortschatz angegeben.

In regelmäßigen Abständen findest du außerdem kleinere Übungen, mit denen du das Gelernte festigen und in neuen Kontexten anwenden kannst.

*Viel Erfolg und gute Noten wünscht
