Oliver and his classmates Jane, Sue and Sarah don't feel like eating in their school canteen today. Oliver says that all meals in the canteen taste horrible. So they decide to go to a takeaway close to their school. There you can get delicious pizza and crispy fish and chips as well as fresh noodles. On Mondays, there is also a special offer: starter, main course, dessert and a drink for £ 6.50. A fantastic offer, isn't it?
