

- 20 This is not a laundry room, this is just a corridor. In a laundry room you can find washing machines and dirty laundry.
- 21 This is a kind of garden, but it's a winter garden. Tim's aunt and uncle are outside in the garden.
- 22 Achoo, the small attic is very dusty! Quickly, the boys put the box into the small attic and go downstairs to the bathroom. They have to wash their hands and then they can finally play their videogame.
- 23 This is Alex's room, but Alex is in the dining room.
- 24 Mum and Dad have a bathroom of their own and Tim isn't allowed to use it.

My reading trail:

1, _____, _____, _____, _____, _____, _____, _____, _____, _____, _____

- 17 This is the small bathroom for guests. The sink is broken. Tim and Christian can't use this bathroom to wash their hands.
- 18 This room has a TV, but no console. The boys cannot play a videogame here. The cellar is the room under the house.
- 19 Oh no, the door of the big bathroom is locked. Catherine is inside, she's taking a shower. Tim's big sister takes at least two showers a day and stays inside the bathroom for hours and hours. Where can they wash their hands now? Of course: In the laundry room.
- 20 This is not a laundry room, this is just a corridor. In a laundry room you can find washing machines and dirty laundry.
- 21 This is a kind of garden, but it's a winter garden or conservatory. Today is a sunny day so Tim's aunt and uncle don't need glass around them.
- 22 Phew, the box is heavy. They enter the small attic. It's really dusty in there. Christian and Tim sneeze at the same time. There are cobwebs and spiders everywhere. Quickly, the boys put the box on a shelf and go downstairs to the bathroom. They want to wash their hands and then they can finally play their videogame.
- 23 This is Alex's room, but Alex is in the dining room and he wants to eat his sandwich.
- 24 Mum and Dad have a bathroom of their own and Tim isn't allowed to use it.
