Anleitung zum Falten eines Quadramas

1.

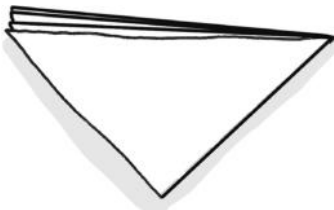

Place the paper in front of you like this. Fold it into a triangle along the diagonal line (see arrows).

2.

Your paper is a triangle. Make it a smaller triangle by folding it in the middle (see arrow).

3.

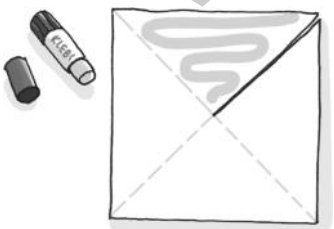

Your paper is a small triangle.

4.

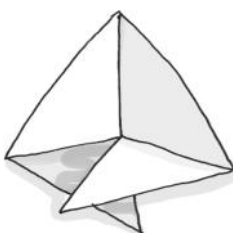

Open the paper again. Cut it along the black line.

5.

Put some glue on the highlighted area. Then stick the triangle next to it onto the highlighted area.

6.

Finished! You need four triangles like this. Glue them together.
