

Liebe Lehrperson,

das vorliegende Materialpaket behandelt schwerpunktmäßig Australiens einzigartige Tierwelt, die durch die verheerenden Waldbrände im Jahr 2019 stark bedroht ist.

In Australien wird am 26. Januar der Australia Day als nationaler Feiertag gefeiert und ich nutze den Monat Januar gern, um den SchülerInnen im Englischunterricht das Land, den Kontinent Australien und seine landesspezifischen Gegebenheiten näherzubringen und ihnen die exotische Tierwelt vorzustellen.

Einen möglichen Einstieg bietet hier das Storytelling, welches zahlreiche Unterrichtsaktivitäten zur Textarbeit bietet. Das Material ist angelehnt an das australische Kinderbuch „Possum Magic“ von Mem Fox, da die im Buch vorkommenden Tiere, Orte und Köstlichkeiten auch hier im Material wiederzufinden sind. Es kann aber auch unabhängig vom Buch eingesetzt werden, da es nicht nur Australiens bekanntesten Tiere vorstellt, sondern auch über Australiens Geographie und die landestypische Küche informiert.

Das Materialpaket enthält verschiedene reading and writing activities wie zum Beispiel Lesespiele oder das Schreiben eines Tierrätsels. Es ist konzipiert für den Einsatz in den Klassenstufen 3 bis 5 und als Freiarbeitsmaterial einsetzbar. Lösungsblätter für die Selbstkontrolle sind ebenfalls vorhanden.

Ich wünsche Dir viel Spaß beim Einsatz des Materials.

Anja Lockwood

# Who am I ?

Australian animal riddle

© Matobe Verlag - Anja Lockwood

## Who am I ?

I am a very famous Australian animal.  
I can be big, and I can be small.  
My baby is called Joey and lives in my pouch.

My favourite food is grass, leaves and seeds.

I live in the outback and I like hopping.  
Who am I ?

Kangaroo

## Who am I ?

I live only in Australia. I like clean freshwater lakes or creeks.  
I have a bill like a duck and a tail like a beaver. My fur is oily and I have webbed feet.  
I lay eggs but I feed my babies with milk.  
I like swimming and diving.  
Can you guess who I am?

platypus

## Who am I ?

I live all over Australia. You can find me everywhere. I have thick fur, short legs and strong claws for digging tunnels.  
My favourite food is grass, fungi, plants and moss.

I like digging tunnels and I can run pretty fast.

Did you know that my poop looks like cubes? Guess who I am?

wombat

## Who am I ?

G'day mates, my home is the Australian bush. My favourite food are eucalyptus leaves.

I have a round body, soft fur, fluffy ears and a big black nose. My hands have strong claws, so I can climb trees.

I sleep a lot and I can leap from branch to branch. Some people say that I look

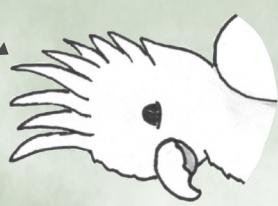

like a teddy bear. Who am I ?

Koala
