## Language tools

<p><b>Anna</b>          I need to talk to you about my pocket money.          Everyone in my class gets more money than me!          Why can't I get more money?          That's unfair!          Everyone has money to buy drinks and snacks at the ...          My friends don't have to help at home.          I work enough for school.          The other kids have bad grades too.</p>	
<p><b>Mother</b>          I think you get enough money.          Why do you need more money?          I think you should do something to earn some money.          You should help in the house.          You could do the dishes, help with the laundry, or wash the car.          Your room is a mess. You should tidy it.</p>	
<p><b>Father</b>          We give you lots of pocket money!          Many kids don't get any pocket money at all!          You should do better at school.          The last English test was really bad!          Ok. You can get some extra money for every good test result.</p>
