

What makes a good role play? – Tips and tricks

Work as a team and plan your dialogue with your partners.

Take notes. They will help you for the performance.

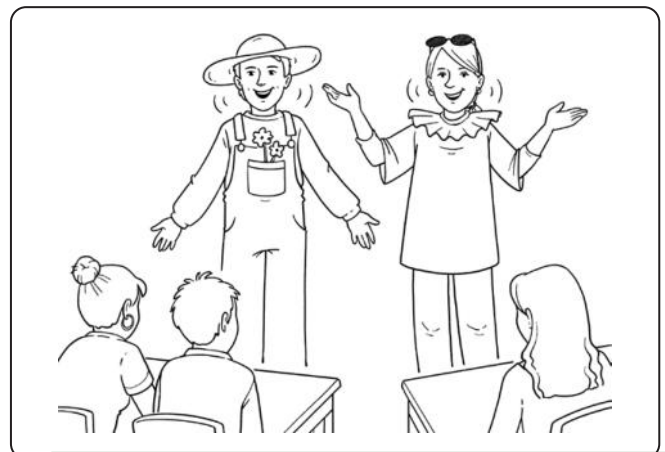

Practice your role play in your group. Use objects and clothes that fit the situation.

When you act, your audience should see your face all the time.

Speak naturally and loud enough. Don't speak too fast.

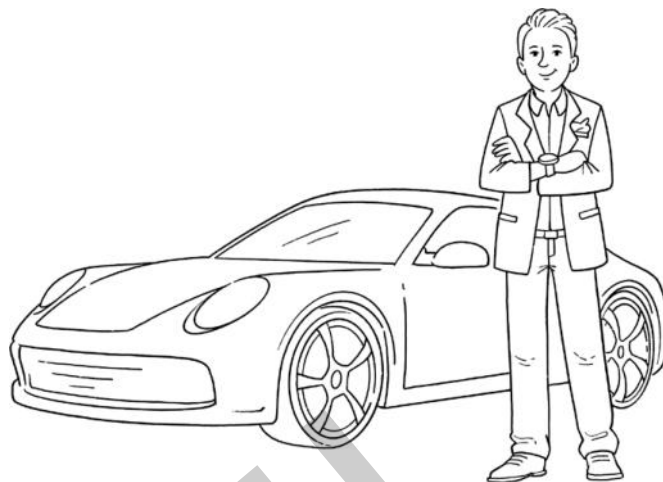

Reducing waste (two friends)

Friend 1

I really want to have a big house!
Fast cars are cool.
I love travelling.
I want to see exotic places.
Fashion is important.
I want to look good.
I don't agree.
You are right, but ...
I don't like old things.
Fast food tastes great. And you don't have to do the dishes.
Modern technology is not bad for nature.
I don't like insects. I don't need them.

Friend 2

I think we have to save energy.
We should protect nature.
I don't need new things all the time.
Cars and planes are very bad for nature.
I love fast food too, but ...
You can use cotton bags instead of plastic.
Climate change is a big problem.
We can go on holiday by bicycle or train.
I think you are right, but ...
I think you are wrong.
Let's have a party without plastic!
