At a restaurant

Task 1

Fold one sheet of paper four times and cut out (✂) the strips. Then do it again with another sheet of paper. Use all letters from the alphabet and write each of them on one of the strips. Fold the strips in the middle and put them in a box. Find a partner.

A	B	C	D
E	F	G	H
I	J	K	L
M	N	O	P

Q	R	S	T
U	V	W	X
Y	Z	A	B
C	D	E	F

Each of you has to pull out (= *herausziehen*) a strip with a letter. You have to find as many words as possible in one minute and write them on the strip.

Be careful: All the words must be related to the topic 'restaurant'.

Use a dictionary for the English translation. Play five rounds.

Example: **W:** *waiter/waitress – water – watermelon – Worcester sauce*

Task 2

Play with a partner. Use your words from task 1 and explain them to your partner. He/She should say the German words to your English words.

Who could guess the most words?

For which words was it difficult to find an explanation?

Example: **W:** *waiter* → *He serves the food in a restaurant.*

Kellner

water → *You can use it for everything. You can drink it or wash your hands with it.*
