## Lapbook-Vorlage: 8er-Leporello/klein

Lapbook-Vorlage: 6er-Herzleporello/klein

## Lapbook-Vorlage: 6er-Registerbuch/klein

The template consists of six rows of rectangular boxes. Each row is designed for a specific page in a 6-grade register book. The boxes are arranged as follows:

- Row 1:** A large box on the right with a small tab labeled '1' on its left edge, and a smaller box on the left.
- Row 2:** A large box on the right with a tab labeled '2' on its left edge, and a smaller box on the left with a tab labeled '5' on its left edge.
- Row 3:** A large box on the right with a tab labeled '3' on its left edge, and a smaller box on the left with a tab labeled '4' on its left edge.
- Row 4:** A large box on the right with a tab labeled '1' on its left edge, and a smaller box on the left.
- Row 5:** A large box on the right with a tab labeled '2' on its left edge, and a smaller box on the left with a tab labeled '5' on its left edge.
- Row 6:** A large box on the right with a tab labeled '3' on its left edge, and a smaller box on the left with a tab labeled '4' on its left edge.

The tabs are shaded with diagonal lines and contain the numbers 1, 2, 3, 4, and 5. A large, faint watermark 'VORSCHAU' is visible across the center of the page.
