2. Funny animal friends. Listen  and match .

1. Listen and tick.

Number 1: A bunny has got long ears. Some people like to keep it as a pet. 😊

Number 2: Dolphins are mammals, not fish. They live in the ocean. 😊

Number 3: A tiger is a big wildcat and lives on a farm. 😞

Number 4: Monkeys, like gorillas, live in the Rainforest and eat bananas. 😊

Number 5: Cows like to eat fish. They live in the ocean. 😞

Number 6: Snakes are wild animals and can be pets, too. 😊

2. Funny animal friends. Listen and match.

The cat is very cute and is friends with the nice dog.

The little red crab is friends with the pink pig.

The horse lives on a farm and is friends with the little guinea pig.

The chicken is friends with the giant whale, living in the ocean.

The big and dangerous shark is friends with the parrot in the zoo.
