## 2. Ella's family

- a) Read the text and write the names of the family members next to the pictures in 1.
- b) Can you guess the meaning of the bold words in the text?

Hi, my name is Ella. I've got two **siblings**, a sister and a brother. They are **twins**. My sister's name is Sara and my brother's name is Tom.

Our **parents** are Mary and Marco. My mom's brother is David. He's so cool! I love to play games with him and he always tells me funny jokes. His **wife** is Lara. They have got two **children**, Henry and Lily. They get on my nerves sometimes, but I still like them a lot. Our **grandparents** have got five lovely grandchildren. Maria and Lorenz are the best grandparents in the world!
