## Signs are everywhere

Task  "Track 3"

Listen to the story.

Then listen again and read the story at the same time.

Afterwards fill in the missing words.

When I suddenly woke up, I saw the sentence "Fasten your seat belts (= *Schnallen Sie sich an!*)" above my head.

For a moment I was confused (= *verwirrt*) and didn't understand where I was.

Then I remembered that I was flying to Cornwall to \_\_\_\_\_<sup>1</sup>.

After we had landed, I followed the other passengers to the \_\_\_\_\_<sup>2</sup> of the plane.

Suddenly I ran against a door and read "Airport staff (= *Mitarbeiter*) only".

It hurt, but then a staff member showed me \_\_\_\_\_<sup>3</sup> to the baggage claim area (= *Gepäckausgabe*).

As soon as I got there, I noticed that I would have enough time to use the toilet.

When I turned around, I nearly slipped (= *ausrutschen*) because I hadn't seen the big \_\_\_\_\_<sup>4</sup> sign which said "Caution (= *Vorsicht*): Floor slippery (= *rutschig*) when wet".

I was relieved (= *erleichtert*) when I finally found the toilet.

After I had found my suitcase, I looked for a sign that said

" \_\_\_\_\_<sup>5</sup>".

Once I had bought my bus ticket to \_\_\_\_\_<sup>6</sup>, I followed the instructions (= *Anweisungen*) of a staff member how to get to the right bus.

However, I got \_\_\_\_\_<sup>7</sup> and helplessly wandered around.

As somebody put a hand on my shoulder, I was so scared that I suddenly woke up in my bed.

Then I remembered that I was flying to Cornwall to visit my cousin<sup>1</sup>. After we had landed, I followed the other passengers to the exit<sup>2</sup> of the plane. Suddenly I ran against a door and read “Airport staff (= *Mitarbeiter*) only”. It hurt, but then a staff member<sup>4</sup> showed me the right door<sup>3</sup> to the baggage claim area (= *Gepäckausgabe*). As soon as I got there, I noticed that I would have enough time to use the toilet. When I turned around, I nearly slipped (= *ausrutschen*) because I hadn’t seen the big yellow<sup>4</sup> sign which said: “Caution (= *Vorsicht*): Floor slippery (= *rutschig*) when wet”. I was relieved (= *erleichtert*) when I finally found the toilet. After I had found my suitcase, I looked for a sign that said “Bus Station”<sup>5</sup>. Once I had bought my bus ticket to the city centre<sup>6</sup> I followed the instructions (= *Anweisungen*) of a staff member how to get to the right bus. However, I got lost<sup>7</sup> and helplessly wandered around. As somebody put a hand on my shoulder, I was so scared that I suddenly woke up in my bed.
