MY SUMMER HOLIDAYS

⑤ At the beach

Hi, I'm Luca and I am at the beach in Italy with my family. It's great here and we have a lot of fun. Yesterday we visited an old castle. That was really cool but my brother lost his camera with all of the great pictures. Our hotel is also great and the rooms are very big. I love the Italian food, especially the ice cream. My mother always says that I should stop eating so much ice cream. She is afraid that I get stomach aches and then we have to go to the doctor. But I think it's holiday time and I can eat as much as I want. At the beach I met some nice boys. We play together and enjoy the sunshine. I love summer holidays and I hope we will come back soon.
