1. Listen  and number  .

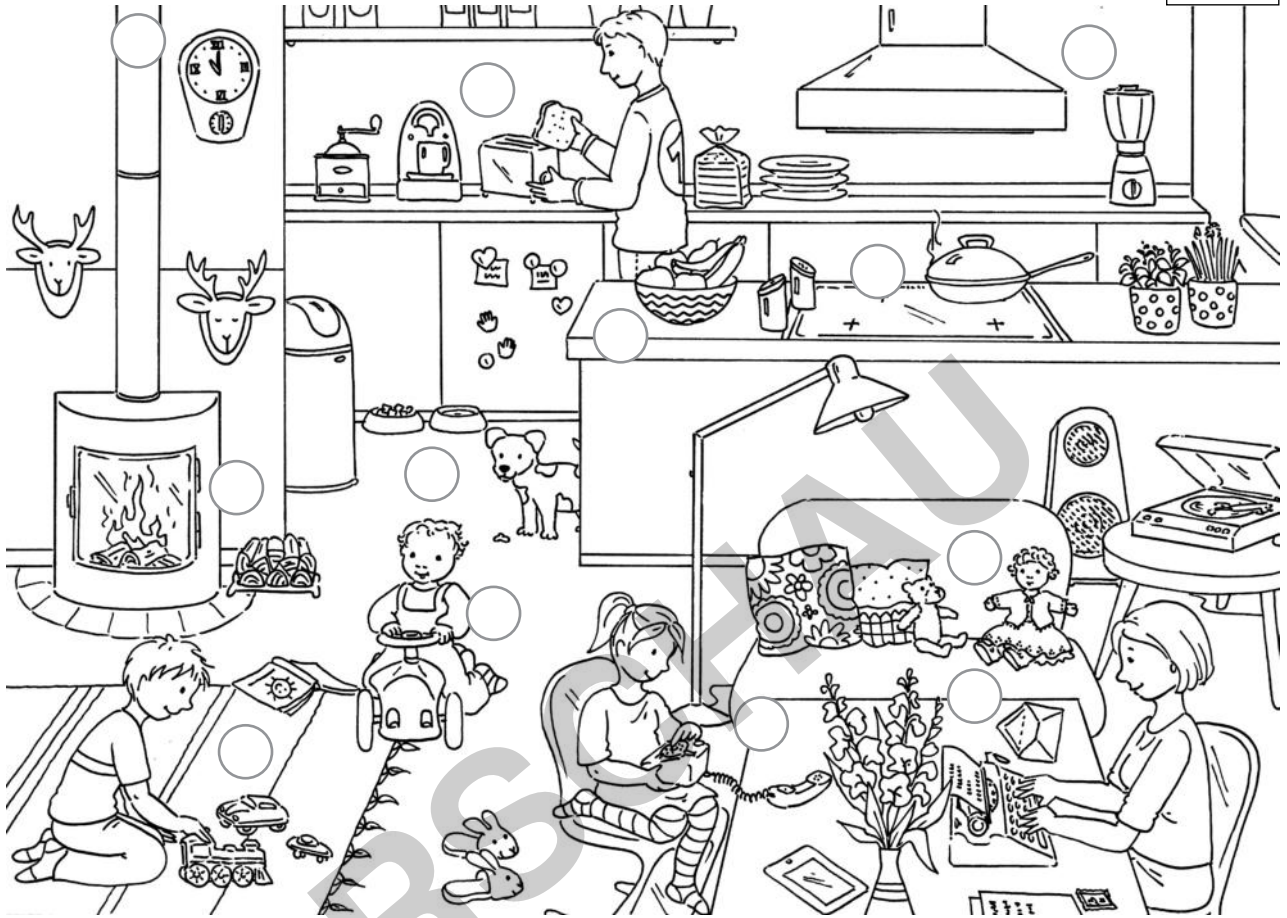

2. Listen  and cross  the odd one out.

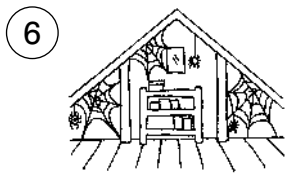

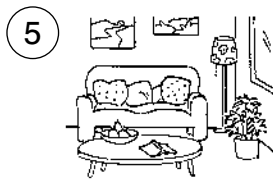

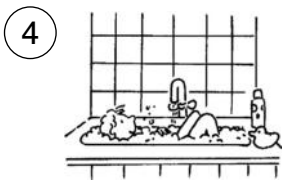

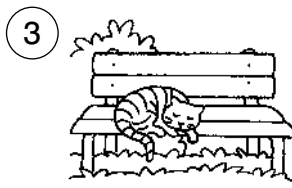

1. Listen  and number  .

2. Listen  and tick  . right  wrong 

### 1. Listen and number.

Oh, look! The Winkler family is in the kitchen and in the living room.

Dad is in the kitchen. He is making some toast for dinner. Find the toaster and number it number 1.

We are still in the kitchen. Can you see the pan on the stove? Find it and number it 2.

There also is a mixer in the kitchen. Can you find it? It is in the right corner on the kitchen counter. It is number 3.

The mother is in the living room. She is sitting at the table. She is writing a letter. The letter is number 4.

The big brother is in the living room, too. He is playing with his train toys. He is number 5.

The baby brother is driving his little car. Number him number 6.

Look! The big sister is sitting at the table, too. She has a telephone. She wants to call her friend. The telephone is number 7.

Next to the big sister is the couch. I can see a teddy bear and a doll on the couch. Number them with number 8.

There is a fire in the fireplace. Find the fireplace and number it with number 9.

The Winkler family has a dog. His name is Lui. Can you find Lui's dog food next to the dustbin? Write down number 10.

What is there on the wall? It is a clock. Number it number 11.

I can see a bowl with fruit in the kitchen. Can you find it? It is number 12.

### 2. Listen and tick.

Number 1: That is the kitchen. 😊

Number 2: The children are playing football in the children's room. 😞

Number 3: I can see a cat sleeping in the garage. 😞

Number 4: The boy is taking a bath in the bathroom. 😊

Number 5: I can see a couch in the living room. 😊

Number 6: I can see a lot of spiders in the bedroom. 😞
